Greater love hath no man than this, that a man lay down his life for his friends. - John 15:13

Dear Friends, Prayer Partners, and Faithful Supporters,

May 1st, 2024

“But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint (Isa. 40:31).”

We praise the Lord for His call upon our family to reach our military heroes with the gospel here in Colorado Springs. We are thankful for all the ways in which He is working. As we strive to remain faithful to His call, we are waiting and trusting His timing for a more permanent place for our church to meet. Please pray that God will open doors for us for a meeting location where we can become established and which we can claim as a lighthouse of the gospel to this needy area. We believe this is one of our greatest prayer needs.

It has been a couple of months of ups-and-downs in ministry. Some people have left, and some others have come. This is truly a transient area. Through it all, God is sustaining us. We look forward to one person's return very much – our son, Caleb, who has been away at college. He will be back home in just over a week, and we are counting down the days! He has done well in his freshman year studying Criminal Justice, and we thank you for your prayers for him.

Another arrival we warmly welcomed was Jon's sister, her husband, and their children who just moved to Colorado Springs! During the 7 years of church planting at Joint Base McGuire-Dix-Lakehurst, we would occasionally struggle with loneliness in ministry, and honestly, it did concern us a bit to move to Colorado Springs without knowing any friends or family in this city. To now have family living here and helping us with this church plant is a great encouragement! Jon and Ethan got to drive up to Wisconsin to help them pack up and move, and we thank the Lord for a safe trip.

We are grateful to God for allowing us to have just reached the two-year anniversary mark of this ministry! We are just getting started and are determined to keep pressing on for Him. We are excited to see what God has in store as we begin year three! One ministry that we have been able to intensify because of the warming weather is our door-to-door ministry. We ask for your prayers for a man named Colton who was saved recently and for God's blessing and safety as we seek to bring the gospel to as many homes in Colorado Springs as we can!

We appreciate all our prayer supporters. Thank you for upholding us in prayer. We are confident that God is answering your prayers for us, and we are also praying for you.

Thank you!

Reaching our Heroes for Christ,

The Gorman Family
